## THOUSANDS OF MEN AND WOMEN NOW LIVE RICH AND REWARDING LIVES WHO NEVER THOUGHT THEY COULD... THANKS TO BRAINTAP!

In 20 relaxing minutes a day you can get the same benefits that thousands of Dr. Patrick Porter's clinical clients have seen over the last three decades. These users regularly report that **BrainTap**:

- o Reduces or eliminates brain fog and negative mind chatter
- o Helps increase energy
- o Promoted relaxation, which contributes to Healthy Sleep Habits
- o Reduced unwanted habits and behaviors
- o Enhanced productivity, memory, focus and creativity
- o Improved quality of life

Whether you want to overcome stress eating, conquer a bad habit, instill a positive mindset, advance your career, master a sport, enhance learning, write the Great American Novel, get your body super fit or simply regain your health and vitality, **BrainTap** is for you!
