CAREGIVER RESPITE PROGRAM

We know... caring for an elderly friend or loved one can be overwhelming at times.

We understand... your need to "get away" occasionally and obtain dependable care.

We care... about you, the caregiver, and your loved one.

We will arrange for an experienced, trained Respite Worker to stay with your elderly loved one while you take time out for yourself. The cost is on a sliding scale basis.

ElderVention® PROGRAM

Helping older adults achieve and maintain a healthy emotional life.

ElderVention® can provide prevention education and treatment services for older adults who may be at risk for depression and suicide.

ElderVention® operates throughout Maricopa County and provides:

- In-home counseling
- Services for people with hoarding disorder
- Presentations and educational services for older adults and professionals on suicide and prescription misuse and abuse (funded by MMIC)
